

PRODUCT SAFETY-DECLARATION

PRODUCT SAFETY DECLARATION

This declaration is to inform that KLUMPP products do not contain toxic heavy metals such as lead, mercury or cadmium. In addition, these products are phthalates, bisphenol A and APEO free. Formaldehyde or other substances that are known, according to the current knowledge, to cause cancer, birth defects or reproductive harm (SVHC), are excluded from our products.

Neither toxic solvents (benzene, toluene, glycol ethers) nor halogenated hydrocarbons are used for the manufacturing of these products. Further, the restriction on azo colorants is respected.

KLUMPP products are not labeled as carcinogenic, mutagenic or reproductive toxic in compliance with regulation (EC) no 1907/2006. After they have been properly applied and cured, our products are non-toxic for handling and use.

Best regards,
